“For Palmer & Co, the creation of a cuvée is as much the work of nature as of man. We marry with harmony and passion the different grape varieties, vintages, years and reserve wines until we find the perfect balance; a constantly renewed quest to create the sumptuous evidence of a great Champagne.”

Pol Roger: Refinement & Pleasure

“No wonder Winston Churchill and the British royal family have made it their favourite throughout history. This refinement reflects a whole art of living. It is also a source of infinite pleasure. Pol Roger champagne has a soul, a union of the spirit of a family and the character of a vineyard.”
